## UnReined

FILM AND LIVESTREAMED Q & A

**Film available January 24 – 31**

**Livestreamed Q & A: Sunday, January 31 • 11 am**

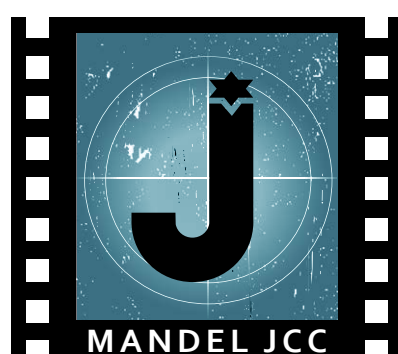

*UnReined* is the story of Nancy Zeitlin, an Israeli Equestrian champion who spent 10 years building the Palestinian Equestrian Team. Her personal life also reflects the turmoil of Israeli society; she married a Christian, an ultra orthodox Jew and then a Palestinian. *Winner of best International Doc at the Equus Film and Arts Festival.*

View the film between January 24-31, then join us for a Livestreamed Q&A with Nancy Zeitlin and the film's director and music composer, Cleveland natives Marcia Rock and Patricia Stotter, on January 31 at 11 am. Film subject Khaled Efrangi and co-producer Naomi Guttman-Bass will also be joining the Q&A.

Events are FREE and open to the public.
